## EDUCATION

### STATISTICS

Hacettepe University

Ankara, Türkiye

GPA: 2.91

**Relevant Coursework:** Data Science, Statistical Data Mining, Time Series Analysis, Machine Learning, Stochastic Processes, Regression Analysis

**Key Achievement:** Developed an **R package** for calculating **Bayesian prior and posterior probabilities**, enhancing advanced statistical modeling and analysis.

## PROFESSIONAL EXPERIENCE

### DATA SCIENCE ASSISTANT CANDIDATE SPECIALIST

Haritaevi

09/2023 – 04/2024

Ankara, Türkiye

- Developed a Digital NOTAM system using AIXM, aligning with ICAO Annex15, Eurocontrol OPADD, and FAA standards to convert aeronautical data into XML-based, machine-readable formats for enhanced air traffic management.
- Utilized Python and AI to enhance data processing, integration, and air traffic management.
- Presented an international webinar on Airport Mapping Databases to train AIM teams.

### DATA SCIENCE INTERN

COBIDU

07/2023 – 09/2023

Ankara, Türkiye

- Developed a predictive system in Python to assess the likelihood of individuals completing courses.
- Leveraged machine learning techniques to analyze key data points, providing insights into factors affecting course commitment.
- Focused on improving user engagement by identifying potential drop-off points and suggesting personalized interventions.

### WINDSURF INSTRUCTOR

Troia Sail-Windsurf Club

2012 – 2019

Çanakkale, Türkiye

This is my relative's club. That's the place i learnt communication with foreigners and discipline.

## LANGUAGES

English

IELTS SCORE : 7.0

## ORGANIZATIONS

Nesin Mathematics Village

Physical Volunteer

06/2022 – 07/2022

İzmir, Türkiye

## CERTIFICATES

---

- Deep Learning Specialization -  
DeepLearningAI
